Survey of Chicago Math Majors

1. What are your plans for the first year after graduation? Beyond the first year?

2. Please give us an estimate of your satisfaction as a whole with your experience as a math major at the University of Chicago. In your comments, please tell us if there were aspects of the program you particularly liked or disliked, or if there are aspects you think should be changed.

   Very satisfied ☐   Somewhat satisfied ☐   Neutral ☐   Somewhat dissatisfied ☐   Very dissatisfied ☐

3. Were you satisfied with the availability and quality of advice from the department on the course of your studies?

   Very satisfied ☐   Somewhat satisfied ☐   Neutral ☐   Somewhat dissatisfied ☐   Very dissatisfied ☐

4. Were you satisfied with the availability and quality of advice from the department on the options available to you after graduation? In your comments, please tell us whether you sought out advice on graduate school, career options, or both.

   Very satisfied ☐   Somewhat satisfied ☐   Neutral ☐   Somewhat dissatisfied ☐   Very dissatisfied ☐

5. Were you generally satisfied with the amount of contact you had with faculty in the department?

   Very satisfied ☐   Somewhat satisfied ☐   Neutral ☐   Somewhat dissatisfied ☐   Very dissatisfied ☐

6. If you needed letters of recommendation, did you have trouble finding faculty to write them?

   Didn't need letters ☐   No trouble ☐   Some trouble ☐   A great deal of trouble ☐

7. Were there any courses you were particularly happy with? Particularly unhappy with? Were there any courses you would have liked to have seen offered?

8. Why did you decide to concentrate in mathematics? Given the choice, would you do it again?

9. Are there any other comments you'd like to make?
