Fri, July 22	9:30–12:00	2:30–3:30	1:00–2:00	4:00–5:00

Topology 1 will continue, but starting over as needed to make things independent of previous talks. Topology 2 will introduce topics in stable algebraic topology complementary to Topology 1.

Due to the Topology Summer School, when individual meetings will be impossible, people are welcome in my office 2:15 to 5:00 (or later) Monday and Wednesday and 2:15 to 4:00 Tuesday, Thursday, and Friday this week, July 18–22.

There are NO Sixth Week talks in the REU.

INSTEAD, the REU will meld with the Summer School in algebraic topology. Its talks will all be given across University Avenue in the Stevanovich Center, 5727 South University Avenue. A detailed schedule is available here:
