RESEARCH STATEMENT FORM
(for non–University of Chicago students)

Full Name: __________________________________________

Email: ______________________________________________

Current Undergraduate School: ________________________

Major: ______________________________________________

Overall cumulative GPA: ____________

Cumulative GPA in Mathematics: ____________

Expected graduation date: ________________

Circle current status:  First year  Sophomore  Junior

Would you prefer the full or the apprentice program? _____________

(Applicants will automatically be considered for both.)

Primary areas of mathematical interest: _________________________

List of completed mathematics courses, with grades:

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________

__________________________________  _________________________
List of mathematics courses currently being taken:

________________________________________

________________________________________

________________________________________

Names and institutional affiliations of two mathematics faculty members who will send reference letters:

________________________________________

________________________________________

Your application must include a (scanned) transcript.

Briefly describe any research experiences you have had:
