The University of Chicago
Mathematics Research Experience for Undergraduates
June 22 – August 14, 2015
Application Form
(for University of Chicago students)

Full Name: ________________________________
Email: ________________________________
Major: ________________________________
Expected graduation date: ______________
Circle current status:  First year  Sophomore  Junior

Circle citizenship status:
U.S. Citizen  Permanent Resident  Non-U.S. Citizen

Mailing Address  Permanent Address
__________________________  ___________________________
__________________________  ___________________________
__________________________  ___________________________
__________________________  ___________________________

Demographic Information:
  Date of birth: _______________________
  Gender: _______________________
  Race: _______________________
  Hispanic ethnicity: ________________
Would you prefer the full or the apprentice program? ________________
(Applicants will automatically be considered for both programs.)

Primary areas of mathematical interest: ____________________________

List of completed mathematics courses, with your grade and the name of the instructor:

_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________

List of mathematics courses currently being taken, with the name of the instructor:

_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________
_________________________   ___________________________   ___________________________

Overall cumulative GPA: ______________
Cumulative GPA in Mathematics: ______________
Describe any research experiences you have had:
Statement of purpose (use some of this space or attach):

Return applications to E314 by Friday, February 27
