

SUMMER 2014 UNIVERSITY OF CHICAGO REU PROGRAM
8 week program

CHECK ONE:

I will participate in the program; I understand that it is my responsibility to attend regularly at least one and preferably more of the lectures series and to meet at least twice a week with my mentor(s). I will be present June 23 through August 15, 2014, and I will not engage in any other employment during that period without the explicit approval of the program director. I understand that a final paper (expository or research) is a requirement of the program. I will submit a first draft by August 18 and a final draft by August 29, without fail.

I will not participate in the program
